

NURSERY DISEASE NOTES

Robert L. James
Plant Pathologist

1983

- James, R. L. 1983. Characterization of Phoma species on red fir seedlings from the Humboldt Nursery, California. USDA Forest Service, Northern Region. Nursery Disease Notes #1. 6p.
- James, R. L. 1983. Fungi associated with tip dieback of ponderosa pine seedlings at the Clifty View Nursery, Bonners Ferry, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #2. 6p.
- James, R. L. 1983. Phoma blight of conifer seedlings. USDA Forest Service, Northern Region. Nursery Disease Notes #3. 8p.
- James, R. L. 1983. Occurrence of Fusarium on Douglas-fir seed from the Coeur d'Alene Nursery. USDA Forest Service, Northern Region. Nursery Disease Notes #4. 11p.
- James, R. L. 1983. Fusarium root disease of containerized seedlings at the Montana State Nursery, Missoula. USDA Forest Service, Northern Region. Nursery Disease Notes #5. 9p.
- James, R. L. 1983. Fungal contamination of ponderosa pine cones and seed from the Coeur d'Alene Nursery, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #6. 7p.
- James, R. L. 1983. Mortality of white fir seedlings at the Fantasy Farms Nursery, Peck, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #7. 7p.

1984

- James, R. L. 1984. Diseases associated with containerized seedling soil mixes. USDA Forest Service, Northern Region. Nursery Disease Notes #8. 7p.
- James, R. L. 1984. Hendersonia blight of lodgepole pine in Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #9. 8p.
- James, R. L. 1984. Mortality of Mugo pine seedlings at the Fantasy Farms Nursery, Peck, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #10. 7p.
- James, R. L. 1984. Needle tip dieback of containerized Douglas-fir seedlings at the Coeur d'Alene Nursery, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #11. 5p.

- James, R. L. 1984. Influences of insects and diseases on planting stock quality. USDA Forest Service, Northern Region. Nursery Disease Notes #12. 7p.
- James, R. L. 1984. Characteristics of Diplodia pinea associated with tip dieback of ponderosa pine seedlings. USDA Forest Service, Northern Region. Nursery Disease Notes #13. 5p.
- James, R. L. 1984. Characteristics of Phoma isolates from nurseries of the Pacific Northwest Region. USDA Forest Service, Northern Region. Nursery Disease Notes #14. 26p.
- James, R. L. 1984. Tip dieback of containerized Douglas-fir seedlings at Montana State Nursery, Missoula. USDA Forest Service, Northern Region. Nursery Disease Notes #15. 6p.

1985

- James, R. L. and C. J. Gilligan. 1985. Soil assays for Fusarium and Pythium in fumigated soils at the USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #16. 3p.
- James, R. L. 1985. Diplodia tip blight of 1-0 ponderosa pine seedlings at the USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #17. 3p.
- James, R. L. 1985. Isolations from bareroot Douglas-fir seedlings - Priest River Experimental Forest. USDA Forest Service, Northern Region. Nursery Disease Notes #18. 3p.
- James, R. L. 1985. Sirococcus tip blight on bareroot Engelmann spruce seedlings at the Clifty View Nursery, Bonners Ferry, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #19. 3p.
- James, R. L. 1985. Top blight of bareroot ponderosa and lodgepole pine seedlings at the USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #20. 3p.
- James, R. L. 1985. Root diseases of transplanted western white pine seedlings at the USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #21. 4p.
- James, R. L. 1985. Characteristics of Phoma herbarum isolates from diseased forest tree seedlings. USDA Forest Service, Northern Region. Nursery Disease Notes #22. 6p.
- James, R. L. 1985. Fusarium associated with seedborne diseases of ponderosa pine seedlings at the Montana State Nursery, Missoula. USDA Forest Service, Northern Region. Nursery Disease Notes #23. 5p.

James, R. L. 1985. Decline of containerized western white pine seedlings at the USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #24. 4p.

James, R. L., J. W. Byler and C. J. Gilligan. 1985. Isolations from Russian-olive seedlings with terminal dieback symptoms from the Big Sioux Nursery, Watertown, South Dakota. USDA Forest Service, Northern Region. Nursery Disease Notes #25. 3p.

1986

James, R. L. 1986. Fusarium associated with containerized conifer seedling diseases at the Potlatch and Western Forest Systems Nurseries, Lewiston, Idaho and University of Idaho Nursery, Moscow. USDA Forest Service, Northern Region. Nursery Disease Notes #26. 3p.

James, R. L. 1986. Needletip dieback of containerized Douglas-fir seedlings at the USDA Forest Service Nursery, Coeur d'Alene, Idaho: associated root fungi. USDA Forest Service, Northern Region. Nursery Disease Notes #27. 7p.

James, R. L. 1986. Relationships between extent of root colonization and foliar symptom production in containerized Douglas-fir, ponderosa pine, and lodgepole pine seedlings infected with Fusarium at the Montana State Nursery, Missoula. USDA Forest Service, Northern Region. Nursery Disease Notes #28. 19p.

James, R. L. 1986. Fusarium root diseases of containerized Douglas-fir, western larch, and lodgepole pine seedlings at the Champion Timberlands Nursery, Plains, Montana. USDA Forest Service, Northern Region. Nursery Disease Notes #29. 3p.

James, R. L. 1986. Occurrence of Fusarium on western larch seed from the Nishek Nursery, Bonners Ferry, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #30. 3p.

James, R. L. 1986. Occurrence of Fusarium oxysporum on ponderosa pine seed from the USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #31. 3p.

James, R. L. and C. J. Gilligan. 1986. Soil populations of Fusarium and Pythium in Field 10, USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #32. 3p.

James, R. L. 1986. Sirococcus tip blight of bareroot pine seedlings at the Champion Timberlands Nursery, Plains, Montana. USDA Forest Service, Northern Region. Nursery Disease Notes #33. 3p.

James, R. L. 1986. Mortality of containerized western larch and western redcedar seedlings at the Intermountain Research Station, Moscow, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #34. 5p.

- James, R. L. 1986. Storage mold of bareroot Engelmann spruce seedlings. USDA Forest Service, Northern Region. Nursery Disease Notes #35. 3p.
- James, R. L. 1986. Diplodia tip blight of ponderosa pine seedlings at the Fantasy Farms Nursery, Peck, Idaho - 1986 update. USDA Forest Service, Northern Region. Nursery Disease Notes #36. 2p.
- James, R. L. 1986. Mortality of bareroot Colorado blue spruce seedlings, Clifty View Nursery, Bonners Ferry, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #37. 3p.
- James, R. L. 1986. Root disease of dogwood seedlings at the Clifty View Nursery, Bonners Ferry, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #38. 3p.
- James, R. L. 1986. Botrytis blight of bareroot conifer seedlings, Clifty View Nursery, Bonners Ferry, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #39. 3p.
- James, R. L. 1986. Root disease of 1-0 bareroot larch seedlings, Montana State Nursery, Missoula. USDA Forest Service, Northern Region. Nursery Disease Notes #40. 2p.
- James, R. L. 1986. Tip blight of bareroot ponderosa pine and blue spruce seedlings at the Montana State Nursery, Missoula. USDA Forest Service, Northern Region. Nursery Disease Notes #41. 3p.
- James, R. L. 1986. Root collar necrosis of Colorado blue spruce seedlings, Plato Nursery, Bonners Ferry, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #42. 3p.
- James, R. L. 1986. Tip dieback of containerized lodgepole pine and Douglas-fir seedlings, Champion Timberlands Nursery, Plains, Montana. USDA Forest Service, Northern Region. Nursery Disease Notes #43. 3p.
- James, R. L. 1986. Fungi colonizing western white pine conelets, Potlatch and Western Forest Systems Nurseries, Lewiston, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #44. 2p.

1987

- James, R. L. 1987. Occurrence of fungi on western white pine seed - Plum Creek Nursery, Pablo, Montana. USDA Forest Service, Northern Region. Nursery Disease Notes #45. 3p.
- James, R. L. 1987. Fusarium oxysporum on roots of containerized western larch seedlings, University of Montana. USDA Forest Service, Northern Region. Nursery Disease Notes #46. 3p.
- James, R. L. 1987. Root deterioration of containerized western white pine seedlings, Plum Creek Nursery, Pablo, Montana. USDA Forest Service, Northern Region. Nursery Disease Notes #47. 5p.

- James, R. L. 1987. Fungi on bleach-treated western white pine seed, Raintree Nursery, Libby, Montana. USDA Forest Service, Northern Region. Nursery Disease Notes #48. 1p.
- James, R. L. 1987. Cotyledon blight of containerized ponderosa pine seedlings at the Bitterroot Native Growers Nursery, Hamilton, Montana. USDA Forest Service, Northern Region. Nursery Disease Notes #49. 3p.
- James, R. L. 1987. Containerized Engelmann spruce seedling mortality, USDA Forest Service Nursery, Coeur d'Alene, Idaho - 1987. USDA Forest Service, Northern Region. Nursery Disease Notes #50. 3p.
- James, R. L. 1987. Occurrence of Fusarium within styroblock containers, Plum Creek Nursery, Pablo, Montana (Preliminary Report). USDA Forest Service, Northern Region. Nursery Disease Notes #51. 2p.
- James, R. L. 1987. Western larch seedling needle necrosis - Raintree Nursery, Libby, Montana. USDA Forest Service, Northern Region. Nursery Disease Notes #52. 3p.
- James, R. L. 1987. Tip blight of Scots pine seedlings - Montana State Nursery, Missoula. USDA Forest Service, Northern Region. Nursery Disease Notes #53. 2p.
- James, R. L. and S. J. Cooley. 1987. Mortality of bareroot western larch seedlings - J. H. Stone Nursery, Medford, Oregon. USDA Forest Service, Northern Region. Nursery Disease Notes #54. 2p.
- James, R. L. 1987. Mortality of outplanted western larch seedlings - Plum Creek Nursery, Pablo, Montana. USDA Forest Service, Northern Region. Nursery Disease Notes #55. 3p.
- James, R. L. 1987. Douglas-fir seedling mortality at the early selection trial site, Montana State Nursery, Missoula. USDA Forest Service, Northern Region. Nursery Disease Notes #56. 3p.
- James, R. L. 1987. Phoma tip blight of bareroot lodgepole pine seedlings, Champion Timberlands Nursery, Plains, Montana. USDA Forest Service, Northern Region. Nursery Disease Notes #57. 4p.
- James, R. L. 1987. Containerized grand fir seedling mortality - North Woods Nursery, Elk River, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #58. 4p.
- James, R. L. 1987. Discoloration of containerized western white pine seedlings - Western Forest Systems Nursery, Lewiston, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #59. 2p.
- James, R. L. 1987. Fusarium oxysporum associated with mortality of 1-0 bareroot Douglas-fir seedlings - Montana State Nursery, Missoula. USDA Forest Service, Northern Region. Nursery Disease Notes #60. 2p.

- James, R. L. 1987. Root disease of containerized Douglas-fir seedlings - Potlatch Nursery, Lewiston, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #61. 6p.
- James, R. L. and S. J. Cooley. 1987. Tip blight of bareroot ponderosa pine and lodgepole pine seedlings - USDA Forest Service Nursery, Bend, Oregon. USDA Forest Service, Northern Region. Nursery Disease Notes #62. 5p.
- James, R. L. 1987. Containerized lodgepole pine needle tip necrosis - USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #63. 3p.
- James, R. L. 1987. Chlorosis of Engelmann spruce transplant seedlings - USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #64. 3p.
- James, R. L. 1987. Fusarium root disease of bareroot Scots pine seedlings - Fantasy Farms Nursery, Peck, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #65. 3p.
- James, R. L. 1987. Containerized western white pine seedling root disease - USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #66. 4p.

1988

- James, R. L. 1988. Lodgepole pine seedling needle necrosis - Western Forest Systems Nursery, Lewiston, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #67. 3p.
- James, R. L. 1988. Containerized lodgepole pine seedling mortality - Consolidated Salish & Kootenai Tribal Forestry greenhouse, Ronan, Montana. USDA Forest Service, Northern Region. Nursery Disease Notes #68. 3p.
- James, R. L. 1988. Fungal colonization of western larch seed - North Woods Nursery, Elk River, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #69. 3p.
- James, R. L. 1988. Thelephora terrestris on Douglas-fir seedlings - Champion Timberlands Nursery, Plains, Montana. USDA Forest Service, Northern Region. Nursery Disease Notes #70. 2p.
- James, R. L. 1988. Field mortality of western white pine transplants - Kootenai National Forest. USDA Forest Service, Northern Region. Nursery Disease Notes #71. 3p.
- James, R. L. 1988. Storage mold of bareroot Douglas-fir seedlings. USDA Forest Service, Northern Region. Nursery Disease Notes #72. 2p.
- James, R. L. 1988. Dwarfing of containerized Douglas-fir seedlings - USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #73. 3p.

James, R. L. 1988. Root disease of containerized subalpine fir seedlings-USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #74. 4p.

James, R. L. 1988. Rust of western larch cones-USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #75. 2p.

James, R. L. 1988. Diseases of conifer seedlings associated with Cylindrocarpon species: a review. USDA Forest Service, Northern Region. Nursery Disease Notes #76. 14p.

1989

James, R. L. 1989. Fungal colonization of styroblock containers - Western Forest Systems Nursery, Lewiston, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #77. 6p.

James, R. L. 1989. Dwarfing of containerized western larch seedlings - North Woods Nursery, Elk River, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #78. 3p.

James, R. L. 1989. Root disease of bareroot 1-0 Engelmann spruce seedlings - USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #79. 5p.

James, R. L. 1989. Abiotic injury to western larch seedlings and young Douglas-fir trees - Dry Creek Tree Improvement Site, Sandpoint Ranger District, Idaho Panhandle National Forests. USDA Forest Service, Northern Region. Nursery Disease Notes #80. 3p.

James, R. L. 1989. Dieback of western larch seedlings - Bigfork Tree Improvement Site, Swan Lake Ranger District, Flathead National Forest. USDA Forest Service, Northern Region. Nursery Disease Notes #81. 4p.

James, R. L. 1989. Tip dieback of Noble fir seedlings - Plum Creek Nursery, Pablo, Montana. USDA Forest Service, Northern Region. Nursery Disease Notes #82. 3p.

James, R. L. 1989. Fungal colonization of ponderosa pine and Douglas-fir seed - USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #83. 3p.

James, R. L. 1989. Occurrence of fungi on western white pine seed - Idaho Department of Lands. USDA Forest Service, Northern Region. Nursery Disease Notes #84. 6p.

James, R. L. 1989. Fungi colonizing tree improvement peat-vermiculite media, USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #85. 4p.

- James, R. L. 1989. Fungal colonization of roots from bareroot 2-0 Douglas-fir seedlings at the USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #86. 5p.
- James, R. L. 1989. Chlorosis of container-grown western white pine seedlings - Fisher River Ranger District, Kootenai National Forest, Montana. USDA Forest Service, Northern Region. Nursery Disease Notes #87. 4p.
- James, R. L. 1989. Fungi colonizing peat-vermiculite growing media - USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #88. 3p.
- James, R. L. and J. W. Schwandt. 1989. Tip dieback of container-grown Engelmann spruce seedlings - North Woods Nursery, Elk River, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #89. 3p.
- James, R. L. and J. W. Schwandt. 1989. Phoma blight of bareroot Japanese black pine seedlings - Fantasy Farms Nursery, Peck, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes # 90. 3p.
- James, R. L. and J. W. Schwandt. 1989. Fusarium root disease of container-grown Noble fir seedlings - North Woods Nursery, Elk River, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #91. 3p.
- James, R. L. 1989. Status of Rhabdocline needle cast on Douglas-fir at the Bigfork Tree Improvement Area, Kootenai National Forest - 1989. USDA Forest Service, Northern Region. Nursery Disease Notes #92. 3p.
- James, R. L. 1989. Storage mold of bareroot Douglas-fir seedlings - Swan Lake Ranger District, Flathead National Forest - 1989. USDA Forest Service, Northern Region. Nursery Disease Notes #93. 4p.
- James, R. L. 1989. Needle tip dieback of bareroot lodgepole pine seedlings - USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #94. 4p.
- James, R. L. 1989. Mortality of young, container-grown Pacific silver fir seedlings - North Woods Nursery, Elk River, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #95. 4p.
- James, R. L. 1989. Mortality of container-grown ponderosa pine seedlings - North Woods Nursery, Elk River, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #96. 3p.

1990

- James, R. L. 1990. Phoma tip blight of bareroot Engelmann spruce seedlings - Montana State Nursery, Missoula. USDA Forest Service, Northern Region. Nursery Disease Notes #97. 3p.

- James, R. L., C. J. Gilligan and I. B. Lockman. 1990. Root disease of Engelmann spruce seedlings - University of Montana, Missoula. USDA Forest Service, Northern Region. Nursery Disease Notes #98. 5p.
- James, R. L. 1990. Fungal colonization of Douglas-fir seed and container-grown seedlings from the North Woods Nursery, Elk River, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #99. 5p.
- James, R. L. 1990. Container-grown lodgepole pine seedling disease - USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #100. 6p.
- James, R. L. and D. Sears. 1990. Bleach treatments of Leach pine cell containers - USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #101. 4p.
- James, R. L. and C. J. Gilligan. 1990. Soil populations of Fusarium and Pythium within block 35, field 10, USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #102. 3p.
- James, R. L. 1990. Needle tip dieback of container-grown western white pine seedlings - Champion Timberlands Nursery, Plains, Montana. USDA Forest Service, Northern Region. Nursery Disease Notes #103. 4p.
- James, R. L. 1990. Root disease of container-grown ponderosa pine seedlings - Potlatch Nursery, Lewiston, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #104. 5p.
- James, R. L. 1990. Root disease caused by Fusarium oxysporum on container-grown Douglas-fir seedlings - Western Forest Systems Nursery, Lewiston, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #105. 5p.
- James, R. L. 1990. Needle-tip necrosis of container-grown western white pine seedlings - University of Idaho Research Nursery. USDA Forest Service, Northern Region. Nursery Disease Notes #106. 4p.
- James, R. L. 1990. Root disease of container-grown Pacific silver fir seedlings - North Woods Nursery, Elk River, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #107. 4p.
- James, R. L. 1990. Root disease of limber pine and nordman fir bareroot seedlings - Fantasy Farms Nursery, Peck, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #108. 4p.
- James, R. L. 1990. Fungal colonization of pine cell containers - Horning Tree Seed Orchard Nursery, Bureau of Land Management. USDA Forest Service, Northern Region. Nursery Disease Notes #109. 4p.
- James, R. L. 1990. Root decay of container-grown western larch seedlings - Western Forest Systems Nursery, Lewiston, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #110. 3p.

- James, R. L. 1990. Needle necrosis of container-grown lodgepole pine seedlings - USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #111. 3p.
- James, R. L. 1990. Fungal contamination of western larch seed - North Woods Nursery, Elk River, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #112. 4p.
- James, R. L. 1990. Necrotic banding of pine seedlings - Plum Creek Nursery, Pablo, Montana. USDA Forest Service, Northern Region. Nursery Disease Notes #113. 2p.
- James, R. L. 1990. Needle necrosis of container-grown Douglas-fir seedlings - Cal-Forest Nurseries, Etna, CA. USDA Forest Service, Northern Region. Nursery Disease Notes #114. 6p.
- James, R. L. 1990. Colonization of Engelmann spruce and lodgepole pine seed with Mortierella spp. - USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #115. 7p.

1991

- James, R. L. 1991. Root decay of container-grown lodgepole pine and western white pine seedlings - USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #116. 4p.
- James, R. L. 1991. Outbreak of Lophodermella needle cast on lodgepole pine within the Condon Tree Improvement Plantation, Montana. USDA Forest Service, Northern Region. Nursery Disease Notes #117. 3p.
- James, R. L. 1991. Meria needle cast on bareroot 2-0 seedlings and young tree improvement plantation trees - USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #118. 3p.
- James, R. L. 1991. Armillaria root disease at the Yaak-Kilbrennan Tree Improvement Plantation - Three Rivers Ranger District, Kootenai National Forest, Montana. USDA Forest Service, Northern Region. Nursery Disease Notes #119. 3p.
- James, R. L. 1991. Fungal colonization of roots from western white pine transplant seedlings outplanted on the Wallace Ranger District, Idaho Panhandle National Forests, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #120. 10p.
- James, R. L. 1991. Basal swelling and root deterioration of container-grown western larch seedlings - Plum Creek Nursery, Pablo, Montana. USDA Forest Service, Northern Region. Nursery Disease Notes #121. 8p.

- James, R. L. 1991. Dieback and wilt of caragana seedlings - Montana State Nursery, Missoula. USDA Forest Service, Northern Region. Nursery Disease Notes #122. 6p.
- James, R. L. 1991. Wilting of container-grown western white pine seedlings - USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #123. 5p.
- James, R. L. 1991. Trichothecium roseum on Douglas-fir cones - Dorena Tree Improvement Center, Cottage Grove, Oregon. USDA Forest Service, Northern Region. Nursery Disease Notes #124. 7p.
- James, R. L. 1991. Rhabdocline needle cast at the Bigfork Tree Improvement Site, Flathead National Forest, Montana. USDA Forest Service, Northern Region. Nursery Disease Notes #125. 9p.

1992

- James, R. L. 1992. Fusarium sporodochia on container-grown ponderosa pine seedlings - USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region. Nursery Disease Notes #126. 6p.
- James, R. L. 1992. Inland spruce cone rust on Engelmann spruce in the Northern Region. USDA Forest Service, Northern Region. Nursery Disease Notes #127. 6p.
- James, R. L. 1992. Hot water sterilization of styroblock containers - Plum Creek Nursery, Pablo, Montana. USDA Forest Service, Northern Region. Nursery Disease Notes #128. 6p.

1993

- James, R. L. 1993. Fusarium species associated with post-emergence damping-off and root disease of young container-grown Douglas-fir seedlings, USDA Forest Service Nursery, Coeur d'Alene, Idaho. USDA Forest Service, Northern Region, Forest Pest Mgt. Nursery Disease Notes #129. 5p.
- James, R. L. 1993. Septoria leaf spot of Prunus virginiana seedlings - Bitterroot Native Growers Nursery, Hamilton, Montana. USDA Forest Service, Northern Region, Forest Pest Mgt. Nursery Disease Notes #130. 7p.

1994.

- James, R. L. 1994. Melampsora rust on container-grown western larch seedlings - Raintree Nursery, Libby, Montana. USDA Forest Service, Northern Region, Forest Pest Mgt. Nursery Disease Notes #131. 5p.
